

The text from draft 01 & 02

Embarking on experiments with unconventional music scores. To create visual patterns on punch cards and explore whether this special punch card can produce sound through the music box.

Reset the grid system note

Replace the original notes on the grid by the letters A to Z with punctuation.

The word "embarking"

Each dot corresponds to a letter. Eventually a complete word is formed.

The word "unconventional"

When a letter is repeated, I process it as an interlaced graphic; the more letters that are repeated, the more interlacing there is.
